Yes! I am a UK tax payer and I would like Macmillan Cancer Support to treat all donations I have made for the six years prior to this year and all donations I make in the future as Gift Aid donations, until I notify you otherwise. I understand that I must have paid an amount of income tax and/or capital gains tax for each tax year (6 April one year to 5 April the next) that is at least equal to the amount of tax that Macmillan reclaims on my donations for that tax year. Please let us know if your circumstances or address details change so we can amend our records.
